

TIDAL'S BIG CONVERSATION

*How do we build the **global justice movement** in Leeds?*

*How can we **connect** all this great global justice activism together?*

*How do we **grow our numbers** so that we can **demand** not ask for change?*

Leeds TIDAL is hosting a series of **four themed discussions** to start a conversation on how we build our movement. Come along, share your **ideas** and **inspiration**, and together let's shape the future of the **global justice movement in Leeds**.
